RESOLUTION NO. _____

RESOLUTION TO LEVY A WATER AVAILABILITY CHARGE

The following resolution is now offered and read:

WHEREAS, Government Code section 25215.6(b) provides that "If the procedures set forth in the former Section 25210.77b as it read at the time a standby charge was established were followed, the board may, by resolution, continue to collect the charge in successive years at the same rate from the parcels within the county service area to which water or sewers are made available for any purpose by the county service area, whether the water or sewers are actually used or not. If new, increased, or extended assessments are proposed, the board shall comply with the notice, protest, and hearing procedures in Section 53753"; and

WHEREAS, former Government Code section 25210.77b provided that "A county may, pursuant to the notice, protest, and hearing procedures in Section 53753, fix, on or before the first day of July in each calendar year, a water or sewer standby or immediate availability charge on all land within a county service area to which water or sewers are made available for any purpose by the county whether the water or sewers are actually used or not, except that the charge shall not apply to lands permanently dedicated exclusively to the public transportation of persons or property. The board of supervisors of the county which fixes the water standby charge may establish schedules varying the charges in different months and in different localities within a county service area depending upon factors such as the uses to which the land is put, the cost of transporting the water to the land, the degree of availability or quantity of use of the water to the affected lands. The board may not, however, fix a charge in excess of thirty dollars ($30) for each acre of land, or thirty dollars ($30) for each parcel of land of less than one acre, for either water or sewer standby charges, unless the standby charge is imposed pursuant to the Uniform Standby Charge Procedures Act (Chapter 12.4 (commencing with Section 54984) of Part 1 of Division 2 of Title 5)"; and

WHEREAS, San Luis Obispo County annually followed the procedures set forth in the former Section 25210.77b; and

WHEREAS, Proposition 218, which was approved by California voters on November 5, 1996, added Articles XIIIC and XIIID to the Constitution of the State of California; and

WHEREAS, Sections 4, 5 and 6 of said Article XIIID affect laws governing availability charges; and

WHEREAS, Section 6(b)(4) of said Article XIIID classifies such availability charges as assessments; and,

WHEREAS, Section 5 of said Article XIIID provides that certain assessments existing on the effective date of said Article XIIID are exempt from the procedures and approval process set forth in Section 4 of said Article XIIID; and

WHEREAS, this Resolution is for the purpose of continuing to levy availability charges/assessments that were already existing on the effective date of said Article XIIID and the amounts of said availability charges/assessments for fiscal year 2015-16 are not proposed to be increased; and

WHEREAS, since the availability charges/assessments were imposed exclusively to finance the capital costs or maintenance and operation expenses for water service, then pursuant to Section 6(a) of said Article XIIID, they are explicitly exempt from the procedures and approval process set forth in Section 4 of said Article XIIID although increases in such assessments shall be subject to the entirety of said Article XIIID; and

WHEREAS, Exhibit "A," attached hereto and incorporated herein as though fully set forth, is a list of all parcels identified which will have a special benefit conferred upon them and upon which an assessment will be levied; and

WHEREAS, Exhibit "B," attached hereto and incorporated herein as though fully set forth is a detailed engineer's report prepared by a registered professional engineer certified by the State of California that supports said assessments; and

WHEREAS, it is in the public interest that said charge be levied.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Board of Supervisors of the County of San Luis Obispo, State of California, acting on behalf of San Luis Obispo County Service Area No. 16, Water Service Fund, and County Service Area No. 23, Water Service Fund, as follows:

1. That the recitals set forth hereinabove are true, correct and valid.

    b. The charge shall be levied against the owner of said property as shown on the current equalized assessment roll of the County.

    c. "Parcel" as used in this Resolution means any piece of real property within San Luis Obispo County Service Area No. 16, Water Service Fund, and County Service Area No. 23, Water Service Fund shown on the

COLLECTION OF UNPAID CHARGES: No later than August 10, 2015, San Luis Obispo County Service Area No. 16, Water Service Fund, and County Service Area No. 23, Water Service Fund, shall submit in writing to the Board of Supervisors and to the County Auditor, respectively, a list of each and every parcel within San Luis Obispo County Service Area No. 16, Water Service Fund, and County Service Area No. 23, Water Service Fund upon which the water

availability charge remains unpaid, together with the amount of said unpaid charge plus said penalty on each such parcel, and request that such unpaid charges, and the penalty thereon, be included in the County tax bill separately from all other taxes.
