RE: APPOINTMENT OF DR. ROB RUTHERFORD TO THE BOARD OF DIRECTORS OF
THE COASTAL SAN LUIS RESOURCE CONSERVATION DISTRICT

Dear Ms. Rodewald:

On June 3, 1994, the Board of Directors of the Coastal San Luis Resource Conservation District by Resolution 94-3 requested that the San Luis Obispo County Board of Supervisors make appointments to our Board when vacancies exist. This resolution was filed with the San Luis Obispo County Office of Clerk-Recorder.

The Board of Directors of the Coastal San Luis Resource Conservation District respectfully request the appointment of Dr. Rob Rutherford to the Board of Directors. This will fill a Board position whose term expired in November 2010, and which has been vacant since that time.

Dr. Rutherford is a professor of Animal Science at Cal Poly and has been involved in natural resources management in San Luis Obispo County for many years. We are pleased that he has expressed this interest in serving and we look forward to his participation in the affairs of our District.

I verify that the requirements of Govt. Code 54972 have been met. Attached please find a letter from Dr. Rutherford offering to serve on the Board.

I can be reached at (805)-781-7211 or by email at nhavlik@slocity.org should you have any questions or need further information.

Sincerely,

Neil Havlik, President
Board of Directors
