

### EXHIBIT C - STAFF ORGANIZATIONAL CHART

PROFESSIONAL ENGINEERING SERVICES FOR  
Risk Assessment Study on the Interceptor Sewerline System in County  
Service Area 7A Oak Shores

#### STAFF QUALIFICATIONS

MNS will staff this project from our San Luis Obispo office. Committed to providing the County with a professional and experienced team, we have compiled this team to provide their relatable expertise for this important project. The team is small and roles are specific to ensure an efficient use of staff, time, and budget.
