# County of San Luis Obispo

TO: Board of Supervisors  
FROM: Public Works  
Phil Acosta, Right of Way Agent  
VIA: Dave Flynn, Deputy Director of Public Works  
DATE: 7/10/2012

SUBJECT: Submittal of right of way documents accepting conveyance from the Atascadero Mutual Water Company (AMWC) for the Templeton Road Widening Project, Atascadero (WBS 300386). District 5.

## **RECOMMENDATION**

It is our recommendation that your Honorable Board:

1. Approve and execute the Right of Way Agreement; and accept the accompanying Public Road and Slope Easement Deed by execution of the attached Certificate of Acceptance, and direct the Clerk to return the Agreement and Deed to the Department of Public Works for processing; and
3. Authorize the Public Works Director, or his designee, to perform the following remaining duties associated with the acceptance of the real property interests:
  - Execute any remaining escrow related documents necessary to close the transactions associated with these real property interests.
  - Deliver original Easement Deed upon final processing to the County Clerk's office for final recordation.

## **DISCUSSION**

The Templeton Road Widening Project proposes to widen a 0.63 mile portion of Templeton Road between South El Pomar Road and Bluebird Hill Lane. The project will provide two 12-foot wide travel lanes with a 4-foot minimum paved shoulder. The project's goal is to improve safety by allowing for more recovery area for vehicles along Templeton Road as well as to improve travel for cyclists.

The scope of project construction will include excavating along the existing roadway, creating new slopes, placing fill material in low areas, realigning an existing roadside ditch, and replacing several culverts.

The attached Right of Way Agreement and Public Road and Slope Easement Deed will provide the County and its contractors with a portion of the necessary permanent and temporary real property rights required to construct the proposed widening project and related slope and drainage features.

This acquisition is based upon a fair market value staff appraisal. The approval and execution of the Right of Way Agreement and the acceptance of the related Public Road and Slope Easement Deed, by execution of the attached Certificate of Acceptance, will allow the Department to proceed with processing and payment pursuant to the Agreement.

Hamner Jewell and Associates processed the offers with the property owners on behalf of the County.

Construction of the project is planned for 2013.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

San Luis Obispo County Environmental Coordinator has provided necessary clearance for this project by Mitigated Negative Declaration approved by your Board on January 24, 2012 (Item 6).

Caltrans is providing Federal Highway Administration oversight under a Federal Highway Safety Grant provided for project construction.

County Counsel has reviewed and approved the attached documents as to legal form and effect.

### **FINANCIAL CONSIDERATIONS**

The Right of Way Agreement provides compensation of \$13,000 to Atascadero Mutual Water Company for a public road and slope easement.

This project is a multi-year project budgeted in the Roads Fund for FY 2012/13 - WBS 300386. The project will be funded by the Federal Highway Administration's High Risk Rural Roads Program (HR3), supplemented by Proposition 1B funds.

### **RESULTS**

Approval of the recommended actions will result in the appropriation of property rights required for this budgeted project. Completion of the project will improve safety by allowing more recovery room for vehicles and cyclists along Templeton Road.
