DATE: 7/10/2012

SUBJECT: A request for the Board of Supervisors to authorize the use of alternative publication procedures for amendments to Title 19, the Building and Construction Ordinance to adopt the 2010 edition of the California Building Standards Code including Annual Supplement, State and Local Amendments (LRP 2011-00012 – County of San Luis Obispo)
Supervisorial District: All.

RECOMMENDATION

That the Board of Supervisors:

1. Authorize that a display advertisement of one-quarter page to be published in a newspaper of general circulation in the County no later than July 13, 2012, indicating the general nature of the proposed Ordinance amendments that will be considered on July 24, 2012, can act as the alternative publication.
2. Authorize a one-quarter page display advertisement be placed in a newspaper of general circulation within 15 days after adoption of the proposed amendments by your Board.

DISCUSSION

On July 24, 2012, your Board will hold a public hearing for the following amendment: **LRP 2011-00012 – Amendments to Title 19, the Building and Construction Ordinance.**

The California Government Code, Section 25124, establishes specific publication requirements for ordinance amendments. Your Board can order that a display advertisement be published in a newspaper of general circulation in the county prior to the public hearing and that a display ad be placed in a newspaper of general circulation following action on the amendments.

Staff Comments

The California Government Code establishes specific publication requirements for ordinance amendments, and offers two cost-saving alternatives to publishing the complete text of an adopted ordinance after its passage (which has historically been the most commonly-used method). The alternatives include either publishing a summary of the proposed amendments; or, where the official responsible for the ordinance determines that a summary would not be effective, and with the consent of your Board, a simple display ad can be published in a local newspaper noting passage of the ordinance, where it can be obtained, and how your Board voted on its adoption.

Therefore, in accordance with Section 25124 of the California Government Code, we are requesting that your Board order that a display advertisement of a one-quarter page be published in a newspaper of general circulation in the county, indicating the general nature of the proposed Land Use Ordinance amendments to be considered. In addition, it is requested that your Board direct that a one-quarter page display advertisement be placed in a newspaper of general circulation within 15 days after adoption of the proposed amendments.

Because publication of a display advertisement would cost substantially less than the full text of the adopted amendments, and because the diversity of topics covered in the amendments does not enable a meaningful summary, your favorable consideration on this matter is appreciated.

OTHER AGENCY INVOLVEMENT/IMPACT

Applicable agencies and Community Advisory Committees were provided referrals of the amendments.

FINANCIAL CONSIDERATIONS

Reproducing the complete text of all of the amendments contained in this amendment would cost approximately 50 percent more than the cost of two quarter-page display ads.

RESULTS

Advertising of the amendments will allow the public hearing to occur in conformance with the Government Code and will cost substantially less than publishing the full text of the adopted amendments.
