Comments I am writing to you about Agenda Item 22 for next week's BOS meeting regarding
or county in lieu OHV funds. I represent the Central Coast Motorcycle Association.

characters max): County in lieu funds in the past that we have used to help maintain this riding area which is one of the only legal areas for OHV use in the County other than the Oceano Dunes. It is used primarily by local residents although we do get some visitors from out of town. We support the staff recommendation for the allocation of the in lieu OHV funds, with the requirement that if the funds are allocated to county departments that they be used for OHV related purposes. We support the recommendation for a process for review of proposals by the Parks Commission. We feel this is a fair process and anyone who is eligible for the funds can apply and demonstrate the need and value of their proposal to the Commission. Awards should be merit based. If you would like to discuss this issue please feel free to call me. Thanks, Bruce Witcher
