County of San Luis Obispo

TO: Board of Supervisors
FROM: Public Works
Armand Boutte', Development Services Division
VIA: Douglas A. Rion, County Surveyor
DATE: 8/21/2012

SUBJECT: The following map has been received and has satisfied all the conditions of approval that were established in the public hearing on their tentative map: COAL 12-0014, a proposed lot line adjustment resulting in 2 lots, by Mark I. and Cindy C. Switzer and Nicolas E. and Diane F. Pokrajac, Cow Meadow Place, Templeton. District 1

RECOMMENDATION

It is our recommendation that your Honorable Board approve Parcel Map COAL 12-0014, a proposed lot line adjustment resulting in 2 lots, by Mark I. and Cindy C. Switzer and Nicolas E. and Diane F. Pokrajac, Cow Meadow Place, Templeton.

DISCUSSION

The above-listed map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from County Fire, County Public Works, Environmental Health, the Air Pollution Control District, and other affected county departments, as well as California Department of Transportation (Caltrans), and local cities and service districts.

At a public hearing, the Subdivision Review Board granted tentative approval to the proposed lot line adjustment map. All proposed lot line adjustments are subject to conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance requires that when the conditions of approval have been met, and when an adequate parcel map that is in substantial conformance with the proposed lot line adjustment map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee, and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

FINANCIAL CONSIDERATIONS

As there is no acceptance of a road into the County system, there is no cost associated with this action.

RESULTS

Approval of the recommended action will allow the lot line adjustment parcel map to be filed in the office of the County Recorder.
