Comments or questions (8,192 characters max):	I urge you to support the SLO Pismo bike trail project before you tomorrow. This project bubbled up due to grass roots support. Stakeholders and commissions support it because it will be a high profile project for tourism, as well as for safety and recreation of local residents. I know there are many worthy projects, but this one shows vision and answers a need in our community. Please support the SLO to Pismo bike trail in your vote tomorrow. Thank you,
