California Association Of Pest Control Advisors (Central Coast Region)

Farm Bureau, Central Coast Vineyard Team, California Avocado Society,

Please explain why you would like to serve in this capacity

My involvement with the Regional Water Quality Control Board, Central Coast Region,
has motivated me to represent the voice of Agriculture on the Central Coast. With regards
to water, water is a necessity to all – including production agriculture. I look forward to
the opportunity to advise WRAC on the needs of agriculture, impacts from regulation and
measures being taken by this section of the community to be as efficient and wise as
possible with this limited resource.

If appointed, are you willing to participate in the majority of meetings each year, and if necessary, in numerous related meetings or subcommittees?

Supervisorial District 1 Years resided in County 8

If retired, Past Occupation/Employer

Education

B.S. Animal Science, Cal Poly San Luis Obispo

List work experience, training, volunteer activities, skills that relate to your qualifications

As a food safety specialist for produce and tree nuts,
I have constant interaction with various aspects of
farming and can provide a representative cross-section of
information.

List dates/names of positions you have held on any advisory body or elected office

none

List Membership to Organizations

International Association of Food Protection, California Cattlemen,
California Women for Ag, American Pistachio Growers

Please explain why you would like to serve in this capacity

I am active in the produce and tree nut industry
as a professional. Additionally, my family has farmed
and ranched in the Paso Robles area for 4 generations. I
have a strong scientific knowledge and passion for our
water supply. I would like to be able to contribute to
the challenges we face in regards to flood control and water conservation.
