WITNESSETH:

WHEREAS, the Preventive Health Grant Program, using funds from the 1998 tobacco industry lawsuit and settlement (Tobacco Settlement), provides funding for programs/projects that promote the health and well-being of the community, encourage behaviors and activities that focus on preventing disease, and enable County residents to reach and maintain optimal health stability and independence; and

NOW, THEREFORE, the parties agree as follows:

1. SCOPE OF SERVICES: The Contractor shall perform and complete the activities contained in the Scope of Work (Exhibit A) attached to this agreement.
2. PURPOSE: The Contractor agrees that the primary purpose of this grant is to provide funding for programs/projects that benefit the public by promoting the health and well-being of the community, encouraging behaviors and activities that focus on preventing disease, and enabling County residents to reach and maintain optimal health stability and independence.

The agreement may be extended by 90 days if the Contractor and County agree in writing. The Board of Supervisors expressly grants to the County Administrator for San Luis Obispo County the authority to extend the Agreement pursuant to this Section as long as the change does not increase the maximum dollar amount of this Agreement or any other burden of the County under this Agreement.
4. GRANT: The County hereby agrees to transfer to Contractor, as a **Community Based Organization** grant, **\$100,000** to complete all tasks and activities contained in Exhibit A. 6. EQUIPMENT: If the project budget for this project includes purchase of any equipment which has a useful life extending beyond the termination date of this project, the Contractor agrees that said equipment will be transferred over to County at the conclusion of this project, unless the County consents to a renewal or extension of the same or some similar project by Contractor utilizing the same equipment.

County may make its own audit of Contractor's records and accounts at any time, if County so desires. Financial records should clearly demonstrate that the grant funds have been spent for the intended grant purpose within the scope of work (Exhibit A).

- B. The County shall have the right through its representative, and at all reasonable times, to inspect such books and records; and Contractor hereby agrees that all such records and instruments are available to the County. All State and Federal tax returns of Contractor insofar as this

The obligation to indemnify shall be effective and shall extend to all such claims and losses, in their entirety, even when such claims or losses arise from the comparative negligence of the County, its officers and employees. However, this indemnity will not extend to any claims or losses arising out of the sole negligence or willful misconduct of the County, its officers and employees.

The preceding paragraph applies to any theory of recovery relating to said act or omission by the Contractor, or its agents, employees, or other independent Agreements directly responsible to Contractor, including, but not limited to the following:
