DATE: 9/11/2012

SUBJECT: Submittal of resolution to accept an existing offer of dedication for the widening of Vineyard Drive, for the future Vineyard Drive Bike Lanes Project, Templeton (WBS 300437). District 1.

RECOMMENDATION

It is our recommendation that your Honorable Board approve the attached resolution to accept that certain offer of dedication along Vineyard Drive as described in Volume 1559 of Official Records at Page 216 being those portions of Parcels 3 and 4 as shown on Parcel Map CO 69-114, filed in Book 4 at page 76 of Parcel Maps.

DISCUSSION

The County of San Luis Obispo has received a Bicycle Transportation Account grant for Class II bike lanes on Vineyard Drive. The project will fill in an existing gap to complete two continuous miles of Class II bicycle lanes between Vineyard Elementary School and Main Street. The project is a high priority link to be completed under the County Bikeway Plan. Additional right of way is necessary to construct the project between Bethel Road and Ashton Way.

The attached resolution will accept the existing offer of dedication of an easement for road purposes to provide additional right of way width for construction and maintenance of the widening of that portion of Vineyard Drive along the southerly boundaries of Parcels 3 and 4 of Parcel Map CO 69-114 filed in Book 4 of Parcel Maps at Page 76, at the northeasterly intersection with Bethel Road. The offer of dedication was made by M. A. Rice.

Construction of the project is planned for 2013.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel has reviewed and approved the attached resolution as to legal form and effect.

FINANCIAL CONSIDERATIONS

Accepting additional right of way width into the County maintained road system does not increase the calculated annual cost of road maintenance.

The project has received funding, for bike lane construction, from the State Bicycle Transportation Account in the amount of \$560,000.

RESULTS

Approval of the recommended action will provide additional public right of way needed for the construction and maintenance of bike lanes on Vineyard Drive. The improved bike lanes provide connectivity within the community of Templeton which leads to a healthy and safe community.
