SUBJECT: Submittal of a Resolution proclaiming October 2012 as "Healthy Communities Month" in San Luis Obispo County.

RECOMMENDATION

It is recommended that the Board approve the attached Resolution proclaiming October 2012 as "Healthy Communities Month" in San Luis Obispo County.

DISCUSSION

In 2011, Healthy Eating, Active Living San Luis Obispo (HEAL-SLO) and community partners worked with the County Board of Supervisors to name October as Healthy Communities Month. Over the past year, HEAL-SLO's Healthy Communities committee has worked closely with the Planning and Building Department to review and provide feedback on private land development applications and County General Plan updates from a health perspective.

In recognition of Healthy Communities month, throughout the month of October, there will be numerous opportunities for the community to participate in events promoting a healthy, active lifestyle and opportunities to learn about our environment and how to preserve it.

On October 19, 2012, HEAL-SLO will be hosting a summit titled, "Building Healthy Communities," featuring nationally recognized speakers who will bring together healthcare professionals, non-profit organizations, school personnel, urban planners, dietitians, agriculturists, and elected officials to investigate the role of the food system and our built environment on the obesity epidemic.

OTHER AGENCY INVOLVEMENT/IMPACT

HEAL-SLO, STRIDE at Cal Poly, Center for Sustainability, Central Coast Agricultural Network, the local chapter of the American Planning Association, San Luis Obispo Community Foundation, and the County Planning and Building Department have all played a role in this effort.

FINANCIAL CONSIDERATIONS

There are no financial considerations associated with the approval of this Resolution.

RESULTS

Adoption of this resolution and hosting events that promote a healthier lifestyle supports the County's goal of a healthy community.
