SUBJECT: The following map has been received and has satisfied all the conditions of approval that were established in the public hearings on the tentative Parcel Map CO 07-0176, a proposed subdivision resulting in 2 lots by Winston L. and Theresa Anderson; and 1) act on the attached resolution to accept relinquishment of access; and 2) act on the attached resolution to accept the Avigation easement for the unincorporated area southeast of San Luis Obispo. District 4.

RECOMMENDATION

It is our recommendation that your Honorable Board approve the map and the related actions listed below:

- A. Approve Parcel Map CO 07-0176, a proposed subdivision resulting in 2 lots by Winston L. and Theresa Anderson;
 - 1. Act on the attached resolution to accept the relinquishment of access; and
 - 2. Act on the attached resolution to accept the Avigation easement.

DISCUSSION

The above-listed map has satisfied all the conditions of approval that were established in the public hearings on their tentative map. The map was processed by the County Planning Department with input from County Fire, County Public Works, Environmental Health, Air Pollution Control District, and other affected County Departments, as well as California Department of Transportation (Caltrans), and local cities and service districts.

At a public hearing, the Subdivision Review Board granted tentative approval to the proposed Parcel Map. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance requires that when the conditions of approval have been met, and when an adequate final or parcel map that is substantially in conformance with the design of the tentative map has been submitted to the County Surveyor, the County Surveyor shall transmit the

map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act. Your Board must also accept or reject any offers of dedication. In this case, it is recommended that your Board approve the attached resolutions to accept the access relinquishment and Avigation easement.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee, and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map and/or resolutions of acceptance as prescribed by the Subdivision Map Act.

FINANCIAL CONSIDERATIONS

As there is no acceptance of a road into the County system, there is no cost associated with this action.

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
