Re: Coastal San Luis RCD Board Member Appointments

Dear Mr. Gong:

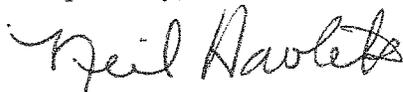

Three of our Coastal San Luis Resource Conservation District Board Members have terms that will expire November 27, 2012. They are: David Alford, Linda Chipping, and Cheryl Lenhardt.

We are fortunate that Linda Chipping and Dave Alford wish to be reappointed to new terms. At our Board meeting September 21, each of them submitted a letter requesting reappointment, and the Board voted in support of their reappointments. As supporting documentation, their letters are enclosed.

Per Public Resources Code 9314(b)(1) we hereby request that the SLO County Board of Supervisors reappoint Linda Chipping and Dave Alford.

Please note that as of November 27, we will have one vacancy on our board. We are currently searching for a replacement, and will request that the Board of Supervisors make the appointment when we find a suitable applicant.

Respectfully,

Neil Havlik, President, Board of Directors

Ladies and Gentlemen:

I have very much enjoyed my first term on the CSL RCD Board. In my mind, the work done by the CSL RCD Board and staff are important and the organization is well positioned to perform a job that no one else can do as effectively.

The perspective I bring to the board is from my background in agricultural business, management of my own diversified farm and ranch operation, and my knowledge of the local farming community.

I would be pleased to be reappointed.

Respectfully,

Dear Fellow Board Members,

Since 2004, I've been honored to use my civil engineering and business background to help guide the RCD and its resources on projects that have garnered the biggest environmental good per dollar spent.

I would like to continue to serve as a Director, and ask that you request my reappointment by the SLO County Board of Supervisors.

Sincerely,
