County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Armand Boutte', Development Services Division

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 12/11/2012

SUBJECT: Submittal of a resolution for acceptance of West Centre Street, County Road No. 5550 from State Route 41 easterly to Truesdale Road; and East Centre Street, County Road No. 5551 from Truesdale Road easterly to State Route 46, Shandon. District 1.

RECOMMENDATION

It is our recommendation that your Honorable Board approve the resolution to accept the West/East Centre Street in the community of Shandon into the County Road System.

DISCUSSION

On May 17, 2011, your Honorable Board adopted Resolution No. 2011-149 requesting a transfer of State Route 41 from its existing easterly alignment along West and East Centre Street through the community of Shandon to an intersection with Route 46 to the proposed new shorter westerly alignment along West Centre Street northerly to Route 46.

On December 16, 2011, the County of San Luis Obispo received official notice of route transfer completion from the State Department of Transportation (Caltrans) in accordance with the Streets and Highway Code, Section 82. While the road has been under County jurisdiction since that time, adoption of the attached resolution will formally add the road to the official maintenance mileage for the County.

OTHER AGENCY INVOLVEMENT/IMPACT

Caltrans and the California Transportation Commission.

FINANCIAL CONSIDERATIONS

This road acceptance will increase the total mileage of County maintained roads by 1.560 miles. Caltrans had provided a pavement overlay over this segment in 2010 and the transfer allowed the county to receive the road in excellent repair. For future planning, based on the current average cost per mile, these miles increase annual road maintenance costs by \$35,958.00. To date, this fiscal year's cumulative road maintenance increase resulting from road acceptance is \$68,966.00.

RESULTS

The result of this action will be to accept the road into the County maintained road system. This will ensure that this transportation link will be able to serve the public needs in the future. This route transfer also satisfies the Shandon goals identified in their community plan.
