No involvement

Does your organization utilize the One-Stop? No
 If not why? We only have a total of 4 employees, and those positions are in highly specialized areas of public sector labor representation

If so, what do you like most about the One-Stop system and what would you like to see be done differently?

Does your organization participate in an industry cluster initiative? No
 If not, why? I am not sure I even understand what an industry cluster initiative is.

If so, what do you like most about participating in industry cluster initiative and what would you like to see be done differently?

What do you think are the critical workforce issues in our region?

Establishing and maintaining local jobs that pay a livable wage in an economy that depends heavily on tourism. Additionally, establishing a work force that can meet the needs of the significant number of public sector (government) jobs that exist or are being created to meet legislative and public demand.

What will you bring to the Workforce Investment Board of San Luis Obispo County (i.e., network, resources, experience, etc.)?

I have been a public sector employee, a student, a business owner, and an employee of private sector over the past 25 years. I believe that I possess skills and knowledge that would be of benefit to the WIB, as well as the time and energy to devote to being a productive member of the Board.

What do you hope to get out of your participation on the Workforce Investment Board of San Luis Obispo County?

An opportunity to give back to the community and utilize some of the lessons I have learned over the years.

I formally request that consideration be given to my nomination for appointment to the Workforce Investment Board of San Luis Obispo County.
