Re: Re-appointment to the Templeton Cemetery District Board of Trustees

Dear Supervisor Mecham,

I, William Sporleder, have been serving a term as Trustee on the Templeton Cemetery District Board. During this time, many changes, upgrades and new structures have been added to improve the cemetery. I wish to remain as a Trustee on the Board, maintaining not only continuity, but to assist in the further enhancement of the cemetery for the Templeton Community.

I therefore request your consideration and approval to the reappointment of Trustee to the Templeton Cemetery Board, allowing me to serve this community for another four year term.

Thank you,
William Sporleder

Re: Re-appointment to the Templeton Cemetery District Board of Trustees

Dear Supervisor Mecham,

I, Beverly Rillo, wish to be considered for reappointment as a Trustee on the Board of the Templeton Cemetery District. As my term will be expiring on March 7th, I am requesting your consideration and approval for reappointment.

The Trustees of the Templeton Cemetery District have achieved the goals set many years ago for the addition of a Columbarium, office, restroom and storage facility. The Trustees strive for excellence in meeting the needs of the Community of Templeton.

I therefore request your consideration and approval to the reappointment of Trustee, serving another term on the Templeton Cemetery Board.

Thank you,
Beverly Rillo
