County of San Luis Obispo

TO: Board of Supervisors
FROM: Social Services / Arya Jones 781-1819
DATE: May 21, 2013
SUBJECT: Submittal of a resolution to recognize May as National Foster Care Month in San Luis Obispo County.

RECOMMENDATION

It is recommended that the Board of Supervisors adopt the attached resolution proclaiming May as "National Foster Care Month" in San Luis Obispo County.

DISCUSSION

Because we have approximately 350 children in our county currently in foster care and because this is an issue which affects our county, state and nation, we would like to recognize May as National Foster Care Month. We would also like to acknowledge the important work that foster parents throughout our county do to help children in need on a daily basis.

OTHER AGENCY INVOLVEMENT/IMPACT

Several local agencies provide services for foster children: Family Care Network, AspiraNet, Family Connections Christian Adoptions, Kinship Center, Martha's Place, and Cuesta College.

FINANCIAL CONSIDERATIONS

There are no financial considerations associated with this item.

RESULTS

Our goal is to recognize the dedication of so many families and people in our community who are helping children in need, as well as to acknowledge the difficult situations of children in the foster care system. This will help us continue to be the safe, healthy, well-governed county that we strive to be.
