Comments or questions (8,192 characters max):	Dear County Board of Supervisors, As frequent visitors to the Sweet Springs Natural Area in Los Osos, we are urging you to allow the Morro Coast Audubon Society (MCAS) to continue improvements to the East portion of Sweet Springs. This week in the Tribune, local columnist Barry VanderKelen's wrote an article entitled 'Calculating the Value of the Work Volunteers Do'. In his words: "Tabulating the number of donated hours -- and calculating their value -- helps show the amount of community support a nonprofit receives, as well as its total economic impact". The MCAS has done a tremendous amount of work at Sweet Springs over the last few years, all with donated time and labor by volunteers. Their sole objective is to provide a habitat for native plants and animals, to be enjoyed by every visitor, including the handicapped, who cares to sets foot in this wonderful little oasis. In addition to the hours donated by volunteers, many local businesses have donated money, material and services, pro bono, in the planning, permitting and execution of upgrades to Sweet Springs. Thank you for your support of this project, Anthony and Kathleen Kent PO Box 3557 Paso Robles, CA 93447
