# County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works  
Jeff Werst, Design Engineer  
Michael Britton, Project Manager

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 6/18/2013

SUBJECT: Letter transmitting plans and specifications (Clerk's File) for See Canyon Road Slope Repair, Avila Beach, for Board approval and advertisement for construction bids. District 3. Bid opening date set for July 18, 2013.

## **RECOMMENDATION**

In accordance with applicable State Law, it is our recommendation that your Honorable Board:

1. Approve the project and adopt the plans and specifications for the construction of the See Canyon Road Slope Repair in Avila Beach, CA, Contract No. 245R12B565; and
2. Authorize the contract to be advertised for construction bids. The recommended bid opening date is Thursday, July 18, 2013; and
3. Provide the Public Works Director, or his designee, the discretion to extend the bid opening date to a date deemed more appropriate by the Director or his designee, so long as any such extension is in compliance with all applicable laws.

## **DISCUSSION**

See Canyon Road is a County road that runs northerly from its intersection with San Luis Bay Drive in the Avila Valley area. Approximately ¼ mile north of San Luis Bay Drive, stream flows from the adjoining See Canyon Creek have eroded the easterly edge of the road, leaving an inadequate shoulder and a near-vertical 20 foot high bank.

County staff consulted with a geotechnical and a structural engineer to develop a 48 foot long soldier pile wall construction project to correct this situation. The wall would be composed of steel "H-piles" with concrete panels. Construction will be isolated from stream flow via temporary coffer dams and a culvert.

A mitigated negative declaration was approved by your Board on January 25, 2011, and all permits from the necessary regulatory agencies have been secured to all work within the creek area. All work within See Canyon Creek must be completed by October 15, 2013.

## **OTHER AGENCY INVOLVEMENT/IMPACT**

Various utility companies have been contacted in consideration of project impacts to their facilities. The County Clerk formally processes the bid openings.

The Avila Valley Advisory Council (AVAC) has been informed. Residents who take access from See Canyon Road will receive notice of impending construction approximately one month prior to construction once your Board awards a contract.

County Counsel has approved the contract as to legal form and effect.

## **FINANCIAL CONSIDERATIONS**

This is a multi-year maintenance repair project budgeted in the Road Fund FY 2012-13. The estimated project cost to stabilize the eroded slope on See Canyon Road is \$469,059. The project will be funded from the Road Fund.

Please see Exhibit "A" for an estimated cost breakdown of the project.

## **RESULTS**

Approval of the recommended action will result in this project being advertised for construction bids. The construction will stabilize See Canyon Road and prevent future road failures at this location which will provide for a safer and more livable community.
