County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Phil Acosta, Right of Way Agent

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 7/9/2013

SUBJECT: Submittal of right of way documents accepting conveyance from the Kenneth Raymond Hord Family Trust for the La Panza Road Widening Project, Creston. District 5.

RECOMMENDATION

It is our recommendation that your Honorable Board:

1. Approve and execute the Right of Way Agreement, accept the accompanying Public Road and Slope Easement Deed by execution of the attached Certificate of Acceptance; and direct the Clerk to record the Public Road and Slope Easement Deed and return a copy of the executed Right of Way Agreement and copy of the recorded Deed to the Department of Public Works within five (5) days for completion of the transaction; and
2. Authorize the Public Works Director, or his designee, to perform the following remaining duties associated with the acceptance of this real property interest:
 - Execute any remaining escrow or payment related documents necessary to close the transactions associated with these real property interests.

DISCUSSION

La Panza Road is a rural collector located east of Creston between State Routes 41 and 58. The project will improve a portion of the road from Ryan Road to Hord Valley Road by constructing four foot (4') paved shoulders and relocating an adjacent drainage ditch. The project's objective is to improve road safety by having a recoverable shoulder and eliminating or reducing roadside obstacles. The current project has been developed from a study of multiple design alternatives and various environmental, budgetary, and regulatory parameters to achieve the best solution for the project location.

The attached Right of Way Agreement and Public Road and Slope Easement Deed from the Kenneth Raymond Hord Family Trust will provide the County and its contractors with a portion of the real property rights required to construct the proposed widening project and related slope and drainage features.

The approval and execution of the Right of Way Agreement and the acceptance of the related Public Road and Slope Easement Deed will allow the Department to proceed with processing and payment pursuant to the Right of Way Agreement.

Overall Right of Way Requirements for the Project

Your Board has previously accepted documents for eleven (11) La Panza right of way transactions. The acceptance of this right of way transaction will now enable closure of all twelve (12) right of way transactions required for the project.

As a safety project, the La Panza Road project was awarded a \$900,000 Highway Safety Improvement program (HSIP) grant from the Federal Highway Administration. The project's funding deadline is to receive all right of way and permit clearances by early September in order to allocate the Federal Construction funds this fall for Construction in 2014. With this final right of way action, the County will meet this deadline established for use of the HSIP funds.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel has reviewed and approved the attached documents as to legal form and effect. The San Luis Obispo County Environmental Coordinator has provided necessary clearance for this project by Mitigated Negative Declaration approved by your Board on June 5, 2012 (Item 22).

Caltrans is providing oversight due to the Federal funding for the project.

FINANCIAL CONSIDERATIONS

The Right of Way Agreement provides for the following compensation:

Kenneth Raymond Hord Family Trust	\$3,000.00
--	-------------------

This project is a multi-year project budgeted in Road Fund for FY 2013-14 WBS 300397 in the amount of \$1,644,154. The project will receive funds from Federal Highway Safety Improvement Program (HSIP), Proposition 1B and Road funds.

RESULTS

Approval of the recommended actions will result in the appropriation of property rights required for this budgeted project. Completion of the project will improve safety by allowing more recovery room for vehicles along La Panza Road.
