Chris Macek, ALUC Secretary

SLO County Department of Planning & Building

976 Osos St., Room 300

San Luis Obispo, CA. 93408

Re: Appointment to the Airport Land Use Commission.

Dear Ms. Macek:

I'm applying for an appointment on the San Luis Obispo County Airport Land Use Commission. I am also attaching a copy of a brief resume for the Board of Supervisor's review. I would be happy to meet with individual Board members if they have any questions. I also understand there are alternate seats available, if I'm not chosen for a permanent seat I would also be interested in one of the alternate positions.

Sincerely yours,

Larry Cooper

Encl: Brief personal resume

Larry Cooper

Arroyo Grande, Ca. 93420

Subject:

Appointment to the SLO County Airport Land Use Commission.

Education:

Graduated from Cuesta with an AS degree in Administration of Justice, attended numerous classes and training and am about 6 classes away from finishing my Bachelor's in business management. As a workplace supervisor I had to attend numerous additional classes and training.

Affiliations:

I am a Charter member of the Elks, and have held the position of Board Trustee.

I'm a member of the Arroyo Grande Optimist organization raising money for local youth. I've held numerous offices within this organization including President.

I'm a retired member & treasure of CAPTO a state organization for training of police officers.

And a permanent member of POST another state law enforcement organization which sets state standards for all law enforcement officers.

Experience:

I've been in law enforcement for the past 38 years retiring two years ago. I've lived in this county most all my life. My parents have owned and operated a FBO and hanger storage at SLO airport since 1967, with my father being interim airport manager several times when the managers were ill. I've developed property adjacent to and on the airport and believe we should be very thoughtful of any development around the airport.

Chris Macek
Secretary
Airport Land Use Commission
County of San Luis Obispo

June 6, 2013

Dear Ms. Macek,

Please accept this letter and attached resume to be considered for appointment on the Airport Land Use Commission of SLO County. I am eager to have an opportunity to serve, and hope that my qualifications are satisfactory.

I have lived in the City of SLO since 1990, when I moved to the area for college. I studied at both Cuesta College and Cal Poly, graduating with a BS degree in Journalism in 1996. I started my own business, Digital West Networks, Inc. in 1998 and have successfully grown the company, with a staff of 25 and projected growth within the county going forward.

Fulfilling a childhood dream, I worked for and received my Private Pilot certificate in 2003. I purchased my first aircraft then, with SBP as my base airport. I moved up in aircraft, selling and purchasing 2 more planes after getting my Instrument Rating in 2008. Currently, I am an active recreational pilot with a hangar on the West side of SBP where I keep my aircraft.

I have been on the board of the SLO Pilots Association since 2004, currently serving as President these past 2 years. This board is primarily an advocacy board, ready to step in to any situation that involves, or may threaten General Aviation. SLOPA also has been involved with all of the Airport Day events since 2005.

I am a long time EAA and AOPA member, and served on SLOCATA (SLO County Air Transportation Alliance) when our airport was threatened with the loss of more commercial air transportation.

Sitting on both the SLO Chamber of Commerce and the Economic Vitality Corporation boards, I feel my business and civic understanding of our community brings a balanced view to the issues this Commission will face.

I appreciate the consideration and I'm ready to serve.

Sincerely,

Tim Williams

Tim Williams
