## **DISCUSSION**

The Water Resources Advisory Committee (WRAC) was formed:

1. To advise the County Board of Supervisors concerning all policy decisions relating to the water resources of the San Luis Obispo County Flood Control and Water Conservation District.
2. To recommend to the Board specific water resource and water conservation programs with recognition of the economic and environmental values of the programs.
3. To recommend methods of financing water resource programs.

This Committee is currently comprised of over 30 representatives from each of the Cities, Water Purveyors, Resource Conservation Districts, and also includes representatives from the Agriculture, Environmental, and Development community.

The nominations for the agency appointments were made by the City of San Luis Obispo and the San Miguel Community Services District, as indicated in the attached correspondence (Attachment "A").

### **OTHER AGENCY INVOLVEMENT/IMPACT**

The work efforts of the Flood Control and Water Conservation District involve or impact nearly every local agency and numerous water purveyors throughout the County. The County Clerk properly noticed the vacancies in compliance with the Maddy Act. Should your Board approve today's action, Attachment "B" is a list of the entire Water Resources Advisory Committee membership, with new appointments highlighted in bold letters.

### **FINANCIAL CONSIDERATIONS**

There are no financial impacts as a result of this action.

### **RESULTS**

Approval of the recommended action will appoint a new member and new alternate members to the Water Resources Advisory Committee and provide your Board with the best possible recommendations on water related issues, resulting in a more livable and well-governed community.
