Re: Los Osos Community Services District Fire Code Adoption

Dear Supervisors,

I have reviewed the Los Osos Community Services District (LOCSO) Fire Code Adoption Ordinance 2012-02, approved by the LOCSO Board of Directors on December 5, 2013. According to the California Health and Safety Code, this ordinance needs the approval of the Board of Supervisors in order to become law.

This ordinance is consistent with the needs of the community of Los Osos and Baywood to provide necessary fire protection for their residents. Therefore, it is my recommendation that the Board of Supervisors ratify this ordinance so that it will have the force of law in the Los Osos Community Services District.

Respectfully submitted,

Robert Lewin
Fire Chief
