Exhibit A

LOS OSOS WATER RECYCLING FACILITY PROJECT CONSTRUCTION CHANGE ORDER POLICY

The purpose of this policy is to identify change order authorization procedures required for the Los Osos Water Recycling Facility Project (Contract No. 300448.08.02) (hereafter, the "Project"). These procedures have been developed in conformance with applicable laws and regulations. The size of the construction contract for this Project requires the need for these policies.

Change Order Requirements

Requirements for change orders that apply to the Project include the following:

- All changes that change the contract price or the contract times from what is stated in the original contract documents must be supported by a written change order.
- Change orders which affect the schedule or cost of the project can only be authorized in writing by the Director of Public Works or his designee.
- Change orders must comply with all applicable laws and regulations.
- All change orders must address the effect of the change on project schedule and cost.

Non-Emergency Change Orders:

Single Item Change Order Maximum Amount = \$210,000.00;

The following procedures shall be followed prior to the approval of additional work for the Project.

- A. \$0 to \$210,000.00 - Individual change orders of up to \$210,000.00 require the written recommendation of the Project Construction Manager and written approval of the Director of Public Works or his designee.
- B. Greater than \$210,000.00 - Individual change orders of over \$210,000.00 require a written recommendation from the Project Construction Manager, a written recommendation from the Public Works Director or his designee, and specific authorization from the Board of Supervisors.
