My name is Judith Price I have live in Avila Beach (San Luis Bay Estates) I've lived here for sixteen years.I want to go on record as being oposed to the possibility of the large event proposed to be held in Avila Beach in September,I moved here to enjoy the beautiful nature of this place.We as residents share Avila with all who are like minded.People love this place,those of us who live here and those who visit.Why would our supervisors even cosider letting this type of venue take place here? If we allow this once it will set aprecedent for more to come.I also might remind you of the possible security issues with a nuclear plant in our back yard.Please don't allow this event.

Sincerely, Judith Price
