Supervisor Micham:

Please do NOT advocate for a
water district in North County. I
am in Debbie Arnold's district, directly
across from Steinbeck Vineyard HQ, and live
on 20, non-irrigated acres, since 1986.

I do not need another bureaucracy
Taxing & spending my RETIREMENT money
for meaningless programs.

Count me as AGAINST anything

promote for the "Good" of the county.

Thanks.

Hello,

Please amend **AB 2453** to reflect "One person, one vote". We strongly oppose the bill as it is currently written.

We own one acre with a well that has been going downhill for the last SIX years....

To give large acreage

landowners more votes would be a **HUGE** mistake. Currently, vineyards around us are watering **DAY** and **NIGHT**

as if there isn't really a drought!!! **DON'T PUT THE FOXES IN CHARGE OF THE HEN HOUSE!!!!**

Thank you,

Mr. and Mrs. Grant Matthewson

The Honorable Senator Lois Wolk

State Capitol,

Senator Wolk and Members of the Senate Governance and Finance Committee,

Re: AB 2453, Paso Robles Basin Water District

I am writing to express my support for AB 2453 which outlines a unique hybrid voting structure for the board of directors

of the proposed Paso Robles Basin Water District. I also support the proposed amendments dated June 7, 2014, which

give all residents of the proposed district the opportunity to run for the board of directors.

With a population comprised of rural residents, rangeland and dry-farmed agriculture, as well as a strong irrigated

agricultural community, the hybrid board offers the best solution to represent and serve ALL overlayers and residents

of our Basin. It has been locally designed and tailored to meet the needs of all users of the common resource.

This board structure gives everyone a voice but no one person or group control.

I urge you to support AB 2453 and give us, the overlayers and residents of the Paso Robles Groundwater Basin,

the opportunity to manage and balance our Basin with local input and control.
Thank you for your consideration and support for this important issue.
Sincerely, Jack Scilley
