**GRANT OF AVIGATION EASEMENT**

(Page 2)

IT IS AGREED by Grantor(s) that he/they shall not hereafter erect, enlarge or grow, or permit the erection, enlargement or growth of, or permit or suffer to remain, any building, structure, or other object, or any tree, bush, shrub or other vegetation, within or into the airspace above said Imaginary Surfaces overlying said real property.

IT IS FURTHER AGREED by Grantor(s) that the easement and rights hereby granted to County are for the purpose of ensuring that occupants of the real property burdened by this easement are aware that the quiet enjoyment of this real property may be interrupted by noise generated by over-flying aircraft and by aircraft operations at the Airport, and for the additional purpose of ensuring that said Imaginary Surfaces shall remain free and clear of any building, structure or other object, and of any tree, bush shrub or other vegetation, which is or would constitute an obstruction or hazard to the flight of aircraft landing at and/or taking off from said Airport. These rights shall include, but not be limited to, the following:

1. The continuing and perpetual right of County, at Grantor(s)' sole cost and expense, to cut off, trim, and/or prune those portions of any tree, bush, shrub and/or other vegetation extending, projecting or infringing into or upon the airspace above said Imaginary Surfaces.
2. The continuing and perpetual right of County, at Grantor(s)' sole cost and expense, to remove, raze or destroy those portions of any building, structure or other object, infringing, extending or projecting into or upon said Imaginary Surfaces.
3. The right of County, at Grantor(s)' sole cost and expense, to mark and light, as obstructions to air navigation, any building, structure or other object, any tree, bush, shrub or other vegetation, that may at any time infringe, project or extend into or upon said Imaginary Surfaces.
4. The right of County for ingress to, egress from, and passage on or over said real property of Grantor(s) for above purposes. County shall exercise said right of ingress and egress only after County gives Grantor(s) twenty-four (24) hours notice of County's intent to enter Grantor(s)' property. County shall not be precluded from exercising its right of ingress and egress by the failure of Grantor(s) to receive notice if County has made a reasonable effort to notify Grantor(s). If, in the opinion of the Airport manager, an obstruction or hazard exists within or upon said Imaginary Surfaces overlying said real property, which creates an immediate danger to the flight of aircraft landing at and/or taking off from the Airport such that immediate action is necessary, County may exercise its right of ingress and egress for the above purposes without notice to Grantor(s).
5. The right of flight for the unobstructed passages of aircraft, for the use and benefit of the public, in the airspace above said Imaginary Surfaces, together with the right to cause in or about said airspace such noise, light, electromagnetic emissions, vibrations, fumes, dust, fuel particles, and all other effects as may be inherent in the navigation or flight of aircraft now or hereafter used or known, using said airspace for landing at, taking off from, or operating from, to, at, on, or over said Airport. Note: Noise from over flying aircraft and from aircraft operations on the airport may be considered significant to persons residing and/or working on this real property.
6. The continuing and perpetual right of the County to allow aircraft flight and ground operations at said Airport at all times.

IT IS FURTHER AGREED by Grantor(s) that he/they fully realize that any negative effects of aircraft operations at County Airports, as they pertain to this real property, are not expected to diminish from the level at the time of granting this easement.

**GRANT OF AVIGATION EASEMENT**

(Page 3)

The easement granted herein and all rights appertaining thereto are granted unto the County, its successors and assigns, until said Airport shall be abandoned and ceased to be used for airport purposes.

If any item, covenant, condition or provision of this easement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall no way be affected, impaired or invalidated thereby.

IT IS UNDERSTOOD AND AGREED by Grantor(s) that this easement and the covenants and restrictions contained herein shall run with the land described above and shall be binding upon the heirs, successors and assigns of Grantor(s). For purposes of this instrument, the above described real property shall be the servient tenement and the Airport shall be the dominant tenement.
