County of San Luis Obispo

TO: Board of Supervisors

FROM: Planning and Building / Ramona Hedges, Supervising Administrator

VIA: Ellen Carroll, Environmental Coordinator, Planning Division

DATE: 7/15/2014

SUBJECT: Request to destroy County Planning and Building Department files that have been scanned consistent with Government Code Section 26205. All Districts.

RECOMMENDATION

It is recommended that the Board approve for destruction the list of files (Exhibits A and B) that are now being maintained in the file room in the County Planning and Building Department.

DISCUSSION

Government Code Section 26205 allows the Board of Supervisors to authorize the destruction of any record, paper, or document where the record, paper or document is photographed, microphotographed, reduced by electronically recorded video images on magnetic surfaces, recorded in the electronic data processing system, recorded on optical disk, or reproduced on film or any other medium that is a trusted system and that does not permit additions, deletions, or changes to the original document and where the reproductions are conveniently accessible.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel was consulted on this item.

FINANCIAL CONSIDERATIONS

The cost of scanning the files is included in the department's current budget.

RESULTS

Allowing the destruction of the "hard copy files" that have been scanned will eliminate the need to continue to store these documents in a hard copy format, while still making them easily accessible to the public and staff.
