## **DISCUSSION**

The mission of the Coastal San Luis Resource Conservation District (CSLRCD) is to conserve and improve the agricultural soil, water quality and wild life habitat. The CSLRCD Board of Directors nominates an individual or group each year which has conserved natural resources in San Luis Obispo County. The 2013 Conservationists of the Year recognizes the Pacific Gas and Electric San Luis Obispo and Atascadero 70 KV Line Re-conducting Project Team for their outstanding work on replacing the transmission line from Atascadero to San Luis Obispo with minimal environmental impact by protecting sensitive habitat and wildlife.
