Honorable Supervisors,
We are residents of Nipomo but fully support the Pismo Preserve Project. We are strongly in favor of the BOS authorizing additional monies to that project. It would be a wonderful addition to our SLO County community, tourism, and businesses. Please allocate additional funds to that project.
Respectfully submitted

Dear Board of Supervisors,

Re: Agenda Item # 583/2014
Request of land Conservancy for additional funding for Pismo Preserve

I join the many residents of SLO County and urge you to approve the request of the Land Conservancy of San Luis Obispo for \$400,000 to act "as a capstone" that will close this deal and make the Pismo Preserve a reality.

I see this as analogous to a baseball game. . .

It is now the bottom of the 9th, our team has done well to this point with many base hits. You slugged a triple your last time up - thank you for that! But we still have many on base, just waiting to round third and come home.

Your on deck - and we need you to knock it out of the park! We need you, now, to step up to the plate and hit a grand slam home run and bring in all the donations still on base.

We need you to win this one. . .for it's now or never!

Thank you for your foresight and leadership,
