identifies the EVC as an agency responsible for implementing some of its programs;
and

WHEREAS, the EVC submitted an application to the County for a grant of

NOW, THEREFORE, in consideration of the mutual covenants, conditions, promises and agreements herein set forth, the parties agree as follows (Italics represent additions and strikethroughs represent deletions):

1. Scope of Work

The Scope of Work shall include tasks and activities deemed necessary by the EVC to implement economic development programs identified in the Economic Element of the County General Plan. Said tasks and activities shall be completed prior to July 1, 2015. The following quantified objectives will be employed by the County to evaluate the EVC performance under this Agreement:

- A. Acting as lead agency, assist the County by facilitating implementation and preparing updates as needed for a countywide economic strategy.
- B. Obtain matching funds in an amount at least equal to the amount of funding provided by the County (any non-county funding secured by the EVC for the countywide economic strategic plan shall be counted toward this matching funds performance objective);
- C. Convene at least one seminar on a topic related to the economic strategy that will assist and improve county businesses and the county economy.
- D. Act as a referral agency to the County, engaging cluster industry stakeholders and facilitating input on proposed policy adoption and modification actions. Topics for which such referral services will be needed by the County include but are not limited to workforce housing amendments and procedures for economic impact analyses of discretionary permit applications.
- E. Monitor opportunities for statewide action pertaining to economic initiatives such as the California Forward, California Economic Summit and the California Stewardship Network. Engage cluster industry and other community stakeholders as feasible and appropriate.

- F. Establish and maintain collaborative relationships with economic development and workforce development partners locally and in adjacent regions (Monterey, Santa Barbara, Ventura).

2. Compensation

The County hereby agrees to transfer to the EVC the amount of \$148,775 in County funds in return for completing the Scope of Work described in paragraph 1 of this Agreement. The EVC understands and agrees that the County has no obligation to award further, additional or ongoing grants beyond those provided under this Agreement.

3. Billing

The County shall approve and authorize payment of the \$148,775 in County funds to the EVC in four quarterly payments as follows:

- A. August 2014: \$37,193.75
- B. October 2014: \$37,193.75
- C. January 2015: \$37,193.75
- D. April 2015: \$37,193.75

4. Term of Agreement

The term of this Agreement shall commence on the date first written above and shall terminate on June 30, 2015, unless sooner terminated as hereinafter provided.

5. Reporting

EVC shall prepare and submit quarterly progress reports to the Planning and Building Department within 15 days after each quarter and a final report prior to July 31, 2015, both describing performance of tasks identified in the Scope of Work, Paragraph 1 of this Agreement.

6. Termination of Contract for Convenience of Either Party

Either party may terminate this Agreement at any time by giving to the other party 30 days written notice of such termination. Termination shall have no effect upon the rights and obligations of the parties arising out of any transaction occurring prior to the effective date of such termination. In the event that the EVC terminates this Agreement

prior to completion of the Scope of Work, EVC shall reimburse the County for any work not satisfactorily completed prior to the effective date of said termination.

7. Termination of Contract for Cause

If EVC fails to perform EVC 's duties to the satisfaction of the County or if EVC fails to fulfill in a timely and professional manner EVC 's obligations under this contract or if EVC shall violate any of the terms or provisions of this Contract or if EVC, EVC 's agents or employees fail to exercise good behavior either during or outside of working hours that is of such a nature as to bring discredit upon the County, then County shall have the right to terminate this Contract effective immediately upon the County giving written notice thereof to the EVC. Termination shall have no effect upon the rights and obligations of the parties arising out of any transaction occurring prior to the effective date of such termination. In the event that the County terminates this Agreement prior to completion of the Scope of Work, EVC shall reimburse the County for any work not satisfactorily completed prior to the effective date of said termination. If County's termination of EVC for cause is defective for any reason, including but not limited to County's reliance on erroneous facts concerning EVC 's performance, or any defect in notice thereof, County's maximum liability shall not exceed the amount payable to EVC under paragraph 7 above.

8. Employment Status

Nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship or a joint venture relationship between the County and EVC. Neither EVC nor any of EVC's agents, employees or contractors are or shall be considered to be agents or employees of the County in connection with the performance of EVC's obligations under this Agreement.

9. Audit

(a) All records, accounts, documentation and other materials deemed to be relevant to the Project by the County shall be accessible at any time to the authorized representatives of the County, on reasonable prior notice, for the purpose of examination or audit. The County may require EVC, at its sole expense, to have its records and accounts audited annually by an accountant licensed by the State of

California and approved in advance by the County Auditor-Controller, and to present said audit to the County within thirty (30) days after completion of the audit. County may make its own audit of EVC's records and accounts at any time, if County so desires. Financial records should clearly demonstrate that the County funds have been spent for the intended purposes as described in the Scope of Work under this Agreement.

(b) The County shall have the right through its representative, and at all reasonable times, to inspect such books and records; and EVC hereby agrees that all such records and instruments are available to the County. All State and Federal tax returns of EVC insofar as this Agreement is concerned shall also be made available to the County for accounting purposes if requested.

10. Indemnification

To the fullest extent permitted by law, EVC shall indemnify, defend, and hold harmless the County and its officers, agents, employees, and volunteers from and against all claims, demands, damages, liabilities, loss, costs, and expense (including attorney's fees and costs of litigation) of every nature arising out of or in connection with EVC's performance or attempted performance of work hereunder or its failure to comply with any of its obligations contained in the agreement, except such loss or damage which was caused by sole negligence or willful misconduct of the County.
