Armand Boutte', Development Services Division

VIA: Douglas A. Rion, County Surveyor

DATE: 9/9/2014

SUBJECT: Request approval of Parcel Map CO 05-0190, a proposed subdivision resulting in 2 lots by Daniel and Thomas Herlihy and reject the offer of dedication for slope easement, Nipomo. District 4.

## **RECOMMENDATION**

It is recommended that the Board approve Parcel Map CO 05-0190, a proposed subdivision resulting in 2 lots by Daniel and Thomas Herlihy and reject the offer of dedication for slope easement, Nipomo.

## **DISCUSSION**

The subject map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from County Fire, County Public Works, Environmental Health, the Air Pollution Control District, and County Parks.

At the May 7, 2007 public hearing, the Subdivision Review Board granted tentative approval to the proposed subdivision. All proposed real property divisions are subject to a number of conditions of approval; this project has satisfied these conditions.

The developer has made an offer of dedication for slope easement for the future betterment of Stanton Road. At this time the slope easement is not needed. Staff recommends rejecting the offer without prejudice for future acceptance.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

## **OTHER AGENCY INVOLVEMENT/IMPACT**

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

## **FINANCIAL CONSIDERATIONS**

All costs for examination and certification of the map by the County Surveyor are paid by the project owner(s).

## **RESULTS**

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
