RE: LETTER OF TESTIMONY

Ms. White:

My name is John Kirby and I reside at [REDACTED]

I am writing to recommend that my neighbor, Robert "Bob" Campbell, be considered to serve on the County Health Commission's board of directors as a representative for health care consumers in San Luis County.

I will attest to the fact that Bob has concluded a 25 year distinguished career as an ophthalmologist, and possesses the qualifications, knowledge and interest to serve in this capacity.

Thank you for your consideration of this letter.

Sincerely,

John W. Kirby

Re: Application of Dr. Robert Campbell to serve on the Health Commission

It is my pleasure to write in support of Bob Campbell's application to serve on the San Luis Obispo Health Commission. I have known Bob for many years and he is a wonderful addition to our community.

My professional career was spent as a newspaper reporter/editor in Salt Lake City, Utah, where Bob and his wife, June Kramer, were our neighbors. We stayed in touch after they moved to Washington and continued our friendship after we all retired in San Luis Obispo County.

Bob has long experience in medical practice and is skilled at evaluating complex problems. He worked both as an emergency room physician and ophthalmologist. He is an excellent skier and proudly served on the ski patrol at the Alta Ski Area. Since moving to San Luis Obispo County he has volunteered at the Morro Bay State Park Museum of Natural History helping organize the insect collection.

Bob is a hard-working guy who will take his responsibilities on the Health Commission seriously. He will ask questions, make suggestions and get involved with your projects. And he'll be remarkably pleasant about it. He would be an excellent addition to your group.

Please feel free to contact me if you have any questions or need clarification.

Yours,

Jim Woolf
