SUBJECT: Submittal of resolutions from schools, special districts, and cities (Clerk's File) requesting consolidation of district elections with the November 4, 2014 Consolidated General Election. All Districts.

RECOMMENDATION

It is recommended that your Board approve the resolutions from school districts, special districts and cities (Clerk's Filed) requesting consolidation of their biennial elections with the November 4, 2014 Consolidated General Election.

DISCUSSION

Whenever an election called by a district or city for the submission of any question or office to be filled is to be held on the same day as a statewide election, the district or city is required to file a resolution of its governing board requesting consolidation of the election with the statewide election. By consolidating, the measures and offices to be filled will be on the same ballot as the statewide offices and measures. The resolution to consolidate must be filed with the Board of Supervisors and the Elections Official at least 88 days prior to the election.

All cities, school, community services and special districts in San Luis Obispo County have filed the required resolutions and are requesting consolidation.

OTHER AGENCY INVOLVEMENT/IMPACT

The districts and cities referenced above have filed the required resolutions as required by law.

FINANCIAL CONSIDERATIONS

The current estimate of the total cost of the election is \$550,000. Each district and city will be billed for their pro-rata share of the costs of conducting the election. In the resolutions requesting consolidation, the districts and cities have agreed to reimburse the county for these costs.

RESULTS

To comply with the Election Code requiring Board approval of the consolidation of district and city elections with the statewide general election.
