Re: Letter of Intent CSL RCD Board Position

Dear CSL RCD Board of Directors,

I have enjoyed the past 10 years as a member of the CSL RCD Board. This letter is to express my desire to continue my participation at another term on the Board.

I continue to be very active with local agricultural organizations. I currently Chair both the SLO County Ag. Liaison Board and the Regional Water Quality Control Boards. I am also active with the Cal Poly Center for Sustainability and the Central Coast Wine Growers Association. I believe these local representations are synergistic to the activities of the CSL RCD Board.

I would consider it a privilege to continue my active participation for another term.

Very truly yours,

Jean-Pierre Wolff, Ph.D.
