COUNTY PARKS AND RECREATION COMMISSION AGENDA ITEM TRANSMITTAL

TO: Parks and Recreation Commission

FROM: General Services Agency / Curtis Black
781-5204

SUBJECT: 2014 Parks and Recreation Commission report to the Board of Supervisors.

DATE: 10/23/2014

Recommendations:

It is recommended that the Commission discuss content and goals for inclusion in the 2014 Parks and Recreation Commission report to the Board of Supervisors.

Discussion:

Each year the Chair of the Parks and Recreation Commission delivers a report to the Board of Supervisors. The report is prepared in fall and delivered in January of the following year. The report contains accomplishments, updates on priority park projects, progress toward previously expressed goals and new goals or objectives for the coming years.

The Chair has requested that all Commissioners provide input and be prepared to discuss this topic at the October meeting with the goal of preparing a final draft for the Commission's December 4, 2014 meeting.

Other Agency Involvement:

None.

Financial Considerations:

The report, itself has no financial impacts to County Parks and Recreation operating or capital budgets. Projects, goals or objectives that may have financial impacts would be considered separately.

Results:

Completion and delivery of this annual report elevates Parks and Recreation Department accomplishments, priority projects, goals and objectives and generates support for Departmental services from elected and appointed officials.
