County of San Luis Obispo

TO: Board of Supervisors
FROM: Public Works
Douglas A. Rion, County Surveyor
VIA: Dave Flynn, Interim Director of Public Works
DATE: 11/4/2014

SUBJECT: Request approval of Parcel Map CO 12-0045, a proposed subdivision resulting in 2 lots by Kim E. Aslandis, that has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map; and act on resolutions to accept offer of dedications for additional widening of Camino Caballo and a public trail easement, Nipomo. District 4.

RECOMMENDATION

It is recommended that the Board:

1. Approve Parcel Map CO 12-0045 a proposed subdivision resulting in 2 lots, Kim E. Aslandis, Nipomo; and
2. Act on the attached resolution to accept the offer of dedication for additional widening of Camino Caballo, County Road No. 1253; and
3. Act on the attached resolution to accept the offer of dedication for a public trail easement.

DISCUSSION

At the November 5, 2012 public hearing, the Subdivision Review Board granted tentative approval to the proposed subdivision tentative map. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied all the conditions of approval that were established at the public hearing. The map was processed by the County Planning Department with input from CAL Fire, County Public Works, Environmental Health, County Parks, the Nipomo Community Services District and the South County Advisory Council.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the design of the approved tentative map has been submitted to the

County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act. Your Board must also act on the attached resolutions to accept offers of dedication for 1) additional widening of Camino Caballo and 2) a public trail easement. The attached letter from County Parks provides the discussion and recommendation regarding the trail easement.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act and records the approved resolutions. Each resolution has been approved by County Counsel as to form and legal effect.

FINANCIAL CONSIDERATIONS

All costs for examination and certification of the map by the County Surveyor are paid by the project owner.

The average annual cost of additional County-maintained roads is calculated and tracked annually on a per mile basis for subdivision improvements. However, because widening a road does not increase the mileage of maintained roads, no cost estimate is presented for the recommended action for Camino Caballo, County Road No. 1253.

There are no other costs associated with this action.

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
