SUBJECT: Update on the Children and Families Commission - First 5 for 2014 in San Luis Obispo County. All Districts.

## **RECOMMENDATION**

No action is required by the Board at this time.

## **DISCUSSION**

First 5 California was created by voters under Proposition 10 to recognize that children's health and education is a top priority, especially in the early years of development. The purpose of the Children and Families Commission – First 5, is to implement provisions of Proposition 10, create and adopt plans for early childhood development within the County, consistent with and in furtherance of the purposes of the California Children and Families First Act of 1998.

Wendy Wendt, Executive Director, First 5 staff and community members will offer a brief update on the organization's ongoing work to fund and advocate for San Luis Obispo County's youngest children and their families, prenatal to 5 years old, that they may thrive in nurturing environments, be healthy, and ready to learn.
