WHEREAS, Owner has supplied County with a current title company preliminary title report or preliminary subdivision guarantee listing all trust deed beneficiaries and mortgagees, if any, under prior recorded deeds of trust and mortgages on the Subject Property.

NOW, THEREFORE, in consideration of the premises and in compliance with the provisions of Government Code sections 51070 through 51097, inclusive, and in further consideration of the mutual promises, covenants, and conditions herein contained and the substantial public benefits to be derived therefrom, the parties hereto agree as follows:

1. Grant of open-space easement. Owner hereby grants to County, for the term specified in paragraph 8 below, an open-space easement in and to the Subject Property described above. The open-space easement granted herein conveys to County an estate and interest in the real property of the nature and character specified in the Open-Space Easement Act of 1974, which is subject to the express conditions and restrictions imposed herein upon the use of the property by Owner. To that end, and for the purpose of accomplishing the intent of the parties hereto, Owner covenants on behalf of himself, his successors and assigns with the County, its successors and assigns to do and refrain from doing, severally and collectively, upon the Subject Property, the various acts hereinafter mentioned.

Attachment 1

2. Restrictions on use of the Subject Property. The restrictions imposed upon the use of the Subject Property by Owner and his successors in interest and the acts which Owner and his successors in interest shall refrain from doing, and permit to be done, upon the Subject Property are as follows:

(a) No buildings, structures, or other improvements shall be placed, constructed, or erected upon the Subject Property except as otherwise authorized by the approved conditional use permit and subdivision map referred to above.

(b) No advertising of any kind or nature shall be located on or within the Subject Property.

(c) Owner shall not plant or permit to be planted any vegetation upon the Subject Property except for crop production, range land grasses, natural or ornamental landscaping, and as otherwise authorized by the approved conditional use permit and subdivision map referred to above, and as necessary for erosion control.

(d) Except for the public access trail easement required by condition 5 of the conditions of approval of the vesting tentative tract map referred to above, the general topography of the landscape shall be maintained in its present condition and no grading, excavation, or topographic changes shall be made.

(e) No use of the Subject Property which will or does materially alter the landscape or other attractive scenic features of the property, other than those specified herein, shall be done or suffered.

(f) Owner shall not extract natural resources from the Subject Property, except for development of Owner's underlying water rights.

Attachment 1

(g) Owner shall not cut timber, trees, or other natural growth, except as may be required for agricultural use of the Subject Property and for fire protection, thinning, elimination of diseased growth, and similar protective measures.

(h) Owner shall not use the Subject Property or any portion thereof as a parking lot, storage area, or dump site or otherwise deposit or allow to be deposited on the Subject Property or any portion thereof, temporarily or otherwise, anything whatsoever which is not indigenous or natural to the Subject Property.

(i) Owner shall not cover or cause the Subject Property to be covered in whole or in part with any asphalt, stone, concrete, or other material which does not constitute natural cover for the land nor otherwise disturb the natural cover of the land unless otherwise authorized by the provisions of this agreement.

(j) Except for a resubdivision involving all of this Tract, no land division of the Subject Property shall occur or be applied for by Owner or his successors in interest, nor shall Owner or his successors in interest otherwise convey (other than under threat of condemnation) a portion of the Subject Property less than the whole to one or more parties or convey the Subject Property to two or more parties each of whom acquire title to less than the whole of the Subject Property. Any such conveyance or transfer of the Subject Property or a portion thereof by Owner or his successors in interest shall be considered null and void.

3. Reservations of use by Owner. Notwithstanding the provisions of paragraph 2 above, the following property rights in the Subject Property are excepted from this grant and are expressly reserved to Owner:

(a) The right to maintain all existing trails lawfully erected and maintained upon the Subject Property.

(c) The right to construct, develop, and maintain private water sources and water systems on the Subject Property for the use and benefit of the Subject Property and the clustered lots authorized to be created by the approved conditional use permit and final subdivision map referred to above.

(d) The right to undertake any of those uses (including agricultural cultivation) permitted by Section 22.22.140 of the San Luis Obispo County Code.

4. Compliance with County regulations. Land uses permitted or reserved to Owner in this agreement are subject to and require compliance with all applicable County ordinances and regulations, including those regulating land use.

5. Construction of improvements. Owner shall not construct or permit the construction of any improvements on the Subject Property except as expressly reserved herein or as authorized in the Open-Space Easement Act of 1974. Provided, however, nothing contained in this agreement shall prohibit the construction of either public service facilities installed for the benefit of the Subject Property or public service facilities installed pursuant to an authorization of the Board of Supervisors of the County or the Public Utilities Commission.

6. No authorization for public trespass. Except for use of the public access trail easement, the grant of easement contained herein and its acceptance by the County of San Luis Obispo does not authorize and is not to be construed as authorizing the public or any member thereof to trespass upon or use all or any portion of the Subject

Attachment 1

Property or as granting to the public or any member thereof any tangible rights in or to the Subject Property or the right to go upon or use or utilize the Subject Property in any manner whatsoever. It is understood that the purpose of this agreement is solely to restrict the uses to which the Subject Property may be put so that the property may be kept as near as possible in its natural condition for the benefit of the public, including the lots being created in the above subdivision.

7. Effect on prior easements. Nothing contained in this agreement shall limit or affect any easements that are of record and that have been heretofore granted by Owner on, over, under, or across the Subject Property or any portion thereof.

8. Duration of easement. The grant of easement to County contained in this agreement shall be effective when it has been approved and accepted by resolution of the Board of Supervisors in the manner required by law, and it shall remain in effect in perpetuity unless abandoned or otherwise terminated by the Board of Supervisors in accordance with the provisions of the Open-Space Easement Act of 1974. Provided, however, no easement shall be abandoned or otherwise terminated without first obtaining approval of an amendment to the conditional use permit (SUB2004-00370) authorizing such abandonment or termination.

9. Enforceable restriction. Upon acceptance of the open-space easement granted herein, the Subject Property shall be deemed to be "enforceably restricted" within the meaning of section 422 of the Revenue and Taxation Code and section 8 of Article XIII of the Constitution of the State of California.

10. Binding on successors in interest. This agreement shall be deemed an equitable servitude and a covenant running with the land described herein and shall be binding on the parties hereto and their heirs, assigns, and successors in interest. Any

Attachment 1

conveyance, transfer, or sale made by Owner of said property or any portion thereof shall be deemed to incorporate by reference, and be subject to, each of the provisions of this agreement.

11. Effect of waiver. County's waiver of the breach of any one term, covenant, or provision of this agreement shall not be a waiver of a subsequent breach of the same term, covenant, or provision of this agreement or of the breach of any other term, covenant, or provision of this agreement.

12. Judicial enforcement. Enforcement shall be by proceeding at law or in equity, either to restrain a violation or an attempted violation or by suit to recover damages against any person or persons violating or attempting to violate any covenant or restriction contained herein.

13. Law governing and venue. 14. Enforceability. If any term, covenant, condition, or provision of this agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.
