## County of San Luis Obispo

TO: Board of Supervisors  
FROM: Public Works  
Doug Rion, Deputy County Surveyor  
VIA: Dave Flynn, Deputy Director  
DATE: 1/13/2015

SUBJECT: Submittal of a resolution for the acceptance of portions of Santa Ysabel Avenue, Seventh Street, Santa Ynez Avenue, Fairchild Way and Henrietta Avenue into the County maintained road system, Los Osos. District 2.

### **RECOMMENDATION**

It is recommended that the Board adopt the attached resolution accepting portions of Santa Ysabel Avenue, Seventh Street, Santa Ynez Avenue, Fairchild Way and Henrietta Avenue into the County maintained road system, in the community of Los Osos, District 2.

### **DISCUSSION**

As a result of the construction of the Los Osos Wastewater Collection System, the following streets have been improved to fully paved streets.

- Santa Ysabel Avenue between First Street and Second Street; a portion of Seventh Street southerly of San Luis Street; Santa Ynez Avenue between 12th Street and Mountain View Avenue;
- Henrietta Avenue between Pine Street and Broderson Avenue; these road segments have been in continuous use by the public in excess of 10 years and have now been improved to meet minimum county road standards.

A portion of Santa Ynez Avenue and Fairchild Way south of Santa Ynez Avenue were improved to county road standards by developments fronting those streets. With the simultaneous acceptance of the intersecting portion of Santa Ynez Avenue, this portion of Fairchild Way is now recommended to be added to the county maintained system.

All of the subject road segments may now be accepted into the county maintained road system by your Board as provided for in California Streets and Highways Code Section 941.

## **OTHER AGENCY INVOLVEMENT/IMPACT**

County Counsel has approved the resolution as to legal form and effect.

## **FINANCIAL CONSIDERATIONS**

This work will increase the total mileage of the County-maintained roads by 0.442 mile. Based on the current average cost per mile, this will increase annual road maintenance costs by \$10,188. To date this fiscal year's cumulative road maintenance increase resulting from road improvements acceptance is \$10,188.

## **RESULTS**

The result of this action will be to accept new roads into the County maintained Road System and ensure that these transportation links will be maintained to serve the public's needs in the future.
