

Steve M. Yamaichi

SUMMARY OF WORK EXPERIENCE

Thirty years of peace officer experience with California State Parks. Twenty-two years of managerial and supervisory experience with the ability carry out multiple critical assignments in a dynamic, challenging and demanding work environments.

Managerial experience includes personal responsibility for a State Park with over 1.2 million visitors a year. Overseeing the law enforcement, maintenance, administration and natural resource departments, their supervisors and respective staff. Responsibility for a multi-million operating budget with over fifty permanent and seasonal employees.

Assisted the State Parks Chief Legal Counsel and a Deputy Attorney General in developing legal strategies for a federal lawsuit involving the Threatened and Endangered Species Act while simultaneously working with two diametrically opposed interest groups who either wanted to keep the park open to motor vehicles or close the park access to all motorized vehicles.

Project manager on a 5 million dollar remodel project of the Hearst Castle State Park Visitor Center. Responsible for insuring the State Park building and design detail specifications for the Visitor Center were incorporated into the building blue prints. Project liaison to the California Coastal Commission, San Luis Obispo County Planning Department, local and corporate concessionaire representatives, private sector architects and engineers. Assisted in the development of the Visitor Center construction bid packages.

Allan Hancock College Law Enforcement Academy Coordinator and instructor. In charge of the day-to-day operation for two six month Peace Officer Standards and Training (POST) Basic Law Enforcement Academy. Taught Academy Recruits in POST required academic and
