7. WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: Ellen Carroll, Environmental Coordinator,

Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040. For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

For Week of October 8, 2015

Pismo Beach Area

Land Conservancy of San Luis Obispo County for a Minor Use Permit/Coastal Development Permit. Request to allow for the construction of two parking areas, restroom and picnic facilities to accommodate visitors to the 880 acre Pismo Preserve conservation area. The proposed project will result in the disturbance of approximately 3.5 acres and 22,000 cubic yards of grading (7,000 cubic yards of cut / 15,000 cubic yards of fill) on the 880-acre site in the Rural Lands land use category. The project would also remove an existing dirt road (approximately 0.9 acre) and revegetate the area to grassland, resulting in a net disturbance area of approximately 2.6 acres. The site is in the San Luis Bay (Coastal) planning area and San Luis Bay (Inland) sub-area of the South County planning area. The project is bordered by Mattie Road and Highway 101 to the west, Thousand Hills Road to the east, the Pismo Beach city limits (Pismo Heights neighborhood) to the south, and the Pismo Beach city limits and developed rural lands to the north.
