Comments or questions (8,192 characters max):
please, please build a new shelter. I walked dogs there for many years and
fed cats
and did what I could. Illness forced me to quit, but I still have a vivid
memory of
those cats in those small cages and the dogs in substandard cells, and the
place
that looks decrepit.
The people that volunteer there are angels and under the worst
circumstances.
Those homeless animals deserve a better surrounding than a place that can
be
too cold, or too hot, or rain dripping in and a host of other things.
You will be so appreciated if you build a new shelter.
Thanks for listening.

Comments or questions (8,192 characters max):

Dear Supervisors,
Thank you for your diligent efforts to investigate the condition of the SLO
County Animal Shelter

in order to determine a course of action for repair or rebuilding of this
dilapidated and outdated

facility. I strongly support the construction of a new shelter to care
for the vulnerable animals

in the county's care while they wait for a new home, and I urge you to
support this option.

Thank you,

I understand members of the Supervisors have visited the Shelter,
researched
and understand the need for a new shelter. Please, please vote "YES" for
a
new County Animal Shelter on 7 April. Thank you!
