DISCUSSION

The County is celebrating National County Government Month with several activities and events throughout the month of April to showcase how county government programs and services benefit the community.

National County Government Month is celebrated each April by the nation's counties to raise public awareness and understanding about the roles and responsibilities of government. The 2015 theme is "Counties Moving America Forward," which focuses on transportation and infrastructure as the building blocks of safe, healthy, livable, prosperous and well-governed communities.

The County has launched a public outreach campaign to raise awareness about how transportation and infrastructure projects serve everyone. At the center of this campaign are several promotions and activities, including Volunteer Work Day on April 18 at Lopez Lake Recreational Area and public tours at the SLO County Regional Airport on April 22 and 29 as part of National County Government Month. More information can be found at www.slocounty.ca.gov.

OTHER AGENCY INVOLVEMENT/IMPACT

This a countywide effort and many departments are participating in the promotions this month, including the Public Works Department, Parks & Recreation and SLO County Airports.
