County of San Luis Obispo

TO: Board of Supervisors
FROM: Public Works
Michelle Matson, Traffic Engineer
VIA: Frank Honeycutt, Transportation Division Manager
DATE: 5/5/2015

SUBJECT: Submittal of a resolution establishing changes to the Traffic Regulation Codes for a yield sign at the intersection of Berwick Drive and Burton Drive, Cambria. District 2.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution establishing changes to the Traffic Regulation Codes; for a yield sign at the intersection of Berwick Drive and Burton Drive in Cambria.

DISCUSSION

The Department of Public Works received a request for traffic control at the intersection of Berwick Drive and Burton Drive in Cambria. Currently, there is no control at the intersection. The location is a T-intersection and is the point at which Burton Drive becomes a non-county maintained gravel road. Based on field review of the topography and curvature of the roadway, Public Works is recommending the installation of a yield sign for the Berwick Drive approach to the intersection by the Board's adoption of the attached resolution.

Adoption of the regulation does not require a public hearing.

OTHER AGENCY INVOLVEMENT/IMPACT

The California Highway Patrol and the Sheriff's Department will enforce these restrictions, once posted.

North Coast Advisory Council Traffic Committee has been advised of this action.

FINANCIAL CONSIDERATIONS

Placement of sign is estimated to cost less than \$500. This is within the Road Fund's budgeted amount for this activity.

RESULTS

Adoption of this resolution will define right of way at this intersection, thus providing for a safe and livable community.
