Subject: Proposal from San Luis Obispo County Public Works Department to revise the functional classification of Los Osos Valley Road (LOVR) in Los Osos and San Luis Obispo.

Dear Mr. Schneider,

The purpose of this letter is to formally provide the concurrence of the San Luis Obispo Council of Governments (SLOCOG) with the proposal submitted by the San Luis Obispo County Public Works Department to revise the functional classification of this County Road:

- ✓ Los Osos Valley Road from Pecho Road to South Bay Boulevard in Los Osos – Change the functional classification from Principal Arterial (3) to Minor Arterial (4).
- ✓ Los Osos Valley Road from .10 miles NW of Diablo Drive to .15 miles NW of Diablo Drive - Change the functional classification from Principal Arterial (3) to Minor Arterial (4).

We have reviewed the details for each of the proposal submitted by the County and have determined that the proposed reclassification is not inconsistent with applicable local plans or the Regional Transportation Plan (RTP). We therefore concur with the proposal from the San Luis Obispo County Public Works Department to revise the functional classification of this road.

If there are any questions, please contact Michael Harmon of my staff at 805-781-5724 or by email at [mharmon@slocog.org](mailto:mharmon@slocog.org).

Sincerely,

Ronald L. De Carli  
Executive Director  
San Luis Obispo Council of Governments (SLOCOG)
