Regarding: May 12, 2015 Agenda Item, Appeal by Las Pilitas Resources, LLC of the Planning Commission's decision to deny its application for a Conditional Use Permit and Reclamation Plan for the Las Pilitas Quarry

San Luis Obispo Board of Supervisors:

I am writing today to show my support for the reasoned analysis of the SLO County Planning Department and the subsequent Planning Commissions denial of the Oster/Pilitas Rock Quarry proposed project. I urge you to UPHOLD the planning commission's recommendation to deny the project as submitted by Las Pilitas Resources, LLC.

I am a homeowner in Santa Margarita where I live with my young family. Santa Margarita is a rural town and we enjoy walking and biking through our quiet neighborhoods and deserve safe access to the downtown and to the churches, school and library.

Please vote to DENY this application and insure that Santa Margarita will be allowed to prosper and remain a safe community for its residents. You have an opportunity to protect our community and ensure the safety of our residents and visitors.

Thank you for your consideration.
