County of San Luis Obispo

TO: Board of Supervisors
FROM: Public Works
Armand Boutte', Development Services Division
VIA: Douglas A. Rion, County Surveyor
DATE: 5/19/2015

SUBJECT: Request approval of Parcel Map CO 07-0076, a proposed subdivision resulting in 4 lots by Templeton Community Services District, which has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map; and act on the attached resolution to accept the relinquishment of access, Templeton. District 1.

RECOMMENDATION

It is recommended that the Board:

1. Approve Parcel Map CO 07-0076, a proposed subdivision resulting in 4 lots by Templeton Community Services District, Templeton; and
2. Act on the attached resolution to accept the relinquishment of access.

DISCUSSION

The subject map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from County Public Works, Environmental Health, Templeton Advisory Group, Templeton Community Services District, Templeton Fire and other affected County Departments as well as the California Department of Transportation (Caltrans).

At the July 14, 2008 public hearing, the Subdivision Review Board granted tentative approval to the proposed subdivision. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied all the conditions of approval that were established at the public hearing.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the

County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act. The Board must also act on the attached resolution(s) to relinquish access rights from the lots onto Vineyard Drive. The site location is at the southwesterly corner of the intersection of Vineyard Drive and Bethel Road which has traffic congestion during peak hours and school drop off/ pick-up. A driveway access is inappropriate at this location.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until the Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act and records the approved resolution(s).

FINANCIAL CONSIDERATIONS

All costs for examination and certification of the map by the County Surveyor are paid by the project owner(s).

There are no other costs associated with this action.

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
