I am writing to you regarding the proposed Pasolivo expansion. I sincerely hope this project will not be allowed for several reasons. First of all I think it's important to preserve our old historic buildings and would hope the beautiful old barn on this property would not be destroyed. Secondly, it would be tragic to disturb the peace and tranquility of this area with traffic noise and the noise from the proposed events. Thirdly, it would be dangerous for cyclists who enjoy riding on this country road to have 200 people driving on Vineyard to attend events at Pasolivo 20 times a year. Undoubtedly these events would include alcohol which would increase the danger of people driving and cycling on the same 2 lane road. I am very sympathetic to the homeowners who purchased their property precisely because of the quiet, peaceful surroundings which now are threatened of being disrupted.
